THE NATIVE WOMEN'S CENTRE ANNUAL GALA

NATIVE WOMEN'S CENTRE

“WE CARE, WE SHARE”

Over the past 44 years, the NWC has worked with great pride to empower women and families in the Hamilton area by identifying their needs, and advocating on their behalf. The NWC has worked tirelessly to provide a safe environment in terms of emergency shelter for all women regardless of age, culture, ancestry, sexual orientation, and place of origin. In addition, we have helped women, with or without children, who are experiencing crisis in their lives due to family violence, homelessness and those who may have conflicts with the law.

The most recent program to be added under the umbrella of the NWC is that of Healing Sisters which provides wraparound services including emergency crisis beds, transportation, food and trauma-informed culturally respectful care to support Indigenous women in healing from Human Trafficking.

We are seeking your support to help us fulfill our mission.

Safe emergency shelter

24 hours per day, 7 days per week including meals, emergency clothing and personal need items for all residents.

Aboriginal Community Counselling

For women and youth who have or continue to experience family violence.

Transitional Housing Support

This program provides support to women and their children who have experienced abuse/violence and assists them in identifying and connecting with various supports and services within the community.
